Seneschals Report

Greetings Unto The Populace of Caerthe,

Hopefully you had a chance to attend the Academy of Grace and Valor. Lady Ellinor and Lord Tahir put together an excellent event. There were many nuances and added little touches to the event (the water stations, the inn, the banners) that really added to its splendor. In fact, taking some chances and adding new and different things is what will continue to make our events great. It is what will encourage people to attend our events.

To that end, we are in the process of planning a variety of different events . Some of these events still need co-ordinators and almost all of them need additional people planning them. I encourage you to bring your ideas and talents forward so that we can make our events new, different, and something enjoyable that draws a good number of people.

It remains my honor and privilege to serve as your seneschal.

YIS,
THL Jethro Stille
Seneschal of Caerthe

MEET YOUR BARONIAL OFFICERS

YOUTH OFFICER

Name: Faolan O'Lachain of Galway

AKA: Nikolae the Gypsy

Title: Lord

Position: Youth Officer

When did you join the SCA? 1998

How did you find the SCA? I was invited to a Renaissance camping event by one of my Larping buddies. I wore my gypsy pirate outfit and we ended up in the Gypsy/Viking encampment.

Why did you join the SCA?: Because I had so much fun that evening with the dancing, drum circle and the feeling that anyone that entered that circle was friend to all present even if it was the first time they meet.

Who was the first peer you met? Even though I played for a long time in two other kingdoms the first peer I actually know I met was at my first Readstan now Bloodstone officer populace meeting and it was Mistress Anstyss, Mistress Ursula, Earl Mika to name a few of the ones that stood out.

Who was the landed nobility/vicar of Caerthe when you first came to the barony? Their current excellencies, Robert and Magge Magnus

How did you choose your persona? My family Ancestry is mixed between Sweden Ireland with a little Cherokee and rumors of Romanian. So I decided to go with the Irish in me for my main persona I will eventually develop my alternate as a Romanian Gypsy merchant.

What do you like most about the SCA? The social friendship and how most look out for each other. It's an extended family that often means a lot to each other.

What was a memorable moment in the SCA? I've always had fun but I can't say that there is a best moment for me unless you count the time I woke up next to gypsy girl and her Viking male in my tent with them asking me why I was in their tent. Still don't remember them ever coming into the tent.

What plans/goals do you have for your office? The plans for my office is to see other Caerthen adults take an interest in youth activities in the aspect that more people step up to teach classes instead of it always being the same 2 or 3 people that always volunteer.

What's a little known fact about you? When I graduated from high school I started hitch hiking from state to state. I have managed to visit 29 of the US states which includes my Navy training in San Diego and being stationed in Hawaii.

CHRONICLER

Name: Jorunn nic Lochlainn

Title: The Honorable Lady

Position: Baronial Chronicler

When did you join the SCA? 1986

How did you find the SCA? A boyfriend introduced me and trained me to be a fighter.

Who was the first peer you met? His Majesty (at the time), Olaf Askoldsson in Atlantia. It was at my first event and fighting authorization. I was dating one of his squires at the time who fought me in my authorization.

Who were the landed nobility in Caerthe? I do not know, because I didn't live here.

How did you choose your persona? Prior to the SCA, I was big into weight training therefore; Conan was a big influence because of Arnold. I wanted to be Valeria. A friend suggested a Viking persona so I could fight, but I am also 2nd generation Irish and wanted to incorporate that so I combined the two with a story about how my Irish mother was kidnapped when she was pregnant with me but let her Viking lord believe I was his so I would be raised in the Viking way and be safe. Jorunn is Viking but in the Celtic way, I took my story mothers' last name.

What do you like most about the SCA? Originally it was how Courtesy, Chivalry and Honor were primary virtues and everyone strived to pursue them. Now, it's because it's a readymade community and if you're in the SCA you have this huge family all over the world you can interact with.

What was a memorable moment in the SCA? Like others, there were MANY! 1st was watching a Knighting at Pennsic for the first time. It was Viscount Sir Wulfbrand (Wookie) and the fact that it was at Pennsic with so much ceremony was awesome! Another moment was when I was squired to Baron Syr Eldon Ungol at an evening ceremony at the same Pennsic and the honor he bestowed upon me. My first Pennsic battle and the huge adrenaline rush I got. Another, Serving the Princess of Atlantia on the field at Pennsic, another, serving Queen Judith during her reign. Again when Mistress Nadrah asked me to be her apprentice, etc., etc. And it continues...

What Plans goals do I have for my office? I want to see what the people in the Barony want from their newsletter, then do the best I can to achieve it.

What's a little known fact about you? Prior to finding the SCA I was an avid body builder getting ready to compete. I also played softball on a couple of men's teams.
